FEDERAL EMPLOYEES PAY ACT OF 1946 - - APPLICATION TO SSU EMPLOYEES

1. The Federal Employees Pay Act of 1946, approved 24 May 1946, includes among its provisions a title calling for increases in basic compensation of employees occupying positions subject to the Classification Act of 1923 as amended. This provision automatically applies to all employees of the Strategic Services Unit who are being paid from the Unit's regular funds (.001). It does not apply to employees paid from exempt funds or unvouchered funds (.002 and .003).
2. It will, however, be the administrative policy of this Unit to extend the pay increase to employees on exempt or unvouchered funds where such employees are occupying positions on 1 July 1946, which positions are administratively classified and carry pay at levels prescribed by the Classification Act of 1923 as amended.
3. Where positions are administratively classified subsequent to 1 July 1946, the pay increase will not be retroactive but will be effective on the date the positions are administratively classified.

4. The determination as to which positions within SSU are administratively classified and carry pay at levels prescribed by the Classification Act shall be the responsibility of the Office of the Chief, Personnel,
